● SKILLS

Frontend:

React, Next.js (SSR, SSG, App Router), Vue.js, HTML5, Tailwind CSS

Backend:

Node.js, Express.js, NestJS, TypeScript, Python, Django, FastAPI

Database:

PostgreSQL, MongoDB, Firebase, Prisma ORM

DevOps & Tools:

Docker, AWS, Git, CI/CD (Jenkins), Stripe Integration, RESTful APIs

Other:

Zustand, React Query (TanStack), React Hook Form, Zod, Sonner, i18next, OAuth, JWT

● WORK EXPERIENCE

Senior Full Stack Developer

LINE Corporation – Tokyo, Japan

July 2023 – February 2025

Worked on complex SaaS and web platforms in logistics and healthcare, contributing across the full stack with React, Node.js, and PostgreSQL. Focused on performance, scalability, and secure API integrations.

- Developed and maintained end-to-end web applications using React, Next.js, Node.js, and PostgreSQL
- Built scalable REST and GraphQL APIs, implemented JWT/OAuth authentication
- Created modular frontend components using Tailwind CSS, Zustand, and React Query
- Integrated services like Stripe, Firebase, and internal analytics tools
- Deployed with Docker and AWS (EC2, S3), improving deployment time by 50%
- Enhanced performance and maintainability through backend refactoring and microservices

Full Stack Developer

Rakuten – Tokyo, Japan

June 2019 – May 2023

Built and maintained web-based SaaS tools for HR and education sectors, focusing on admin panels, reporting tools, and real-time dashboards. Collaborated closely with product and design teams in agile cycles.

- Delivered frontend experiences using Vue.js/React and backend services with Node.js
- Designed admin tools, dashboards, and task management flows for enterprise users
- Refactored frontend into reusable component architecture; improved codebase maintainability
- Created APIs and integrated MongoDB and PostgreSQL databases
- Introduced real-time features using WebSockets for live notifications and updates
- Participated in feature discovery, user flow mapping, and sprint planning

● EDUCATION

Bachelor's in Computer Science

University of Tokyo, Japan – 2018
